[什么是 vuvuzela](#)

vuvuzela - the true South-Africa sound

前天在南非的一场足球赛让欧洲电视观众见识了什么叫 vuvuzela, 全场的观众人手一支vuvuzela 在现场制造了如大黄蜂倾巢而出的效果，欧洲的收视户抱怨这实在太吵了，都听不见评论员的声音了。

欧洲人对“噪音”的忍受度是很低的，一般只习惯在场边喊喊加油，在进球时欢呼一下。但南非人才不管，这就是我们南非的风格，欧洲人不喜欢，可以滚蛋，球赛在南非，球赛是现场观众的。

people don't need to comply with the making of a secondary/false picture-perfect illusion,
they have every right to enjoy their real-time living the way they want, they're alive, they are NOT statues!
