[\[Academic-Industrial\] Licensing Forum to Tout Taiwan Academic's Discoveries to Business Sector](#)

[Academic-Industrial] Licensing Forum to Tout Taiwan Academic's Discoveries to Business Sector ([Chinese Version](#))

Academia Sinica Newsletter (2009/09/09) Three of Taiwan's top research institutions —Academia Sinica, the National Health Research Institutes and National Taiwan University — will hold a joint seminar to introduce the recent discoveries of their researchers to business and industry. The seminar, which will include introductions to recent research in the fields of biomedical technology, medicine, electronic engineering and information science, aims to facilitate licensing agreements and cooperation with the private sector. The seminar will be held in the Joint Library of Humanities and Social Sciences, First and Second Conference Room all day on September 16. Media are welcome to attend.

Event: Academia Sinica, the National Health Research Institute, and National Taiwan University joint 2009 Invention Licensing Forum

Date: September, 16 2009

Place: Joint Library of Humanities and Social Sciences, No. 128, Academia Road, Section 2, Nankang, Taipei 11529, Taiwan

Online registration is available at: <http://conference.iis.sinica.edu.tw/servlet/Register?ConfrenceID=110>
