[Amazon Ma - A Journey of Inner Healing](#)

声线漫长，蜿蜒而凄凉，引我冥冥归乡

亚马逊深处，我的阿妈呀，招唤着魂不附体的孩子

转载数千流离，岁月如海

冰川，草原，高山，雨林，苍鹰的坟冢，黑豹的爪

暗夜编制着你我共同的命运，黑色的发，黑色的瞳

My mother across the ocean of time
takes shelter at the deep heart of Amazon
Calling me back, from a million pseudo embryo
weaving me into her infinite tapestry of existence
