And nowhere do people look for this than in Ed Hardy shirts. Ed Hardy is an American tattoo artist that is based in Southern California. He gained popularity with the publication of his five-book series with the title of TatoTime. While there would be other publications that would come from him, TatoTime made Ed Hardy popular among fans with his promotion of tattoo works made by him and Sailor Jerry Collins. In 2002, Ed Hardy produced a line of clothing based on his tattoo design and art. Today, Ed Hardy has clothing stores all across the United States, including the Middle East, Asia and Australia.
