[Whitney Houston is coming back! / I didn't know my own strength.](#)

擁有天籟美聲的 Whitney Houston，在經歷巔峰光華以及淡出演藝生涯後的吸毒婚變，睽違7年後，即將要復出。「I didn't know my own strength」(R'n'B Single Release 2009)
唱出走過生命幽谷的心聲/新生，失而復得的方向感與意義感，特別令人感動。

Lyrics:

I didn't know my own strength / written by Diane Warren and produced by David Foster

Lost touch with my soul
I had no where to turn
I had no where to go
Lost sight of my dream,
Thought it would be the end of me
I thought I'd never make it through
I had no hope to hold on to,
I thought I would break

I didn't know my own strength
And I crashed down, and I tumbled
But I did not crumble
I got through all the pain
I didn't know my own strength
Survived my darkest hour
My faith kept me alive
I picked myself back up
Hold my head up high
I was not built to break
I didn't know my own strength

Found hope in my heart,
I found the light to life
My way out the dark
Found all that I need
Here inside of me
I thought I'd never find my way
I thought I'd never lift that weight
I thought I would break

I didn't know my own strength
And I crashed down, and I tumbled
But I did not crumble
I got through all the pain
I didn't know my own strength
Survived my darkest hour
My faith kept me alive
I picked myself back up
Hold my head up high
I was not built to break
I didn't know my own strength

There were so many times I
Wondered how I'd get through the night I
Thought took all I could take

I didn't know my own strength
And I crashed down, and I tumbled
But I did not crumble
I got through all the pain
I didn't know my own strength
Survived my darkest hour
My faith kept me alive
I picked myself back up
Hold my head up high
I was not built to break
I didn't know my own strength

I guess there is a typo in your title about her name. But I also found sometimes typos will draw unexpected web views, which are also caused and directed by the same typos.
